Experience

Junior Video Editor + Web Developer

UNALTERED Athletics
July 2019 - Present

- Developed website microapplications using JQuery, PHP, and MySQL including a review program dashboard, and a masterclass course.
- Developed an administrative dashboard as a Shopify app with React, Express, and MongoDB which integrates with Amazon, Walmart, and Ebay APIs to manage product listings and sales data.
- Designed the Shopify storefront with Liquid, and graphical elements including website banners, product packaging, flyers, product pages, and advertisements.
- Oversaw planning and production of video content for distribution onto social and commercial platforms including pillar + micro content, ads, interviews, product breakdowns, and exercise routines.

Post-Production Intern

Adrenaline Films
May 2019 - June 2019

- Oversaw the archival of production files onto LTO8 tapes using PreRollPost.
- Managed post-production of projects for the Adrenaline Films social media channels.
- Assisted the VFX team on studio productions, creating a variety of assets such as 3D models, motion graphic templates, and visual effect presets.

Videographer

Offshore Films
January 2019 - May 2019

- Coordinated with producers of TV show "The American Dream" in pre-production to create a run down for field shoots.
- Conducted field shoots with realtors, filming at various locations to showcase properties, estates, and businesses.
- Managed an indoor production studio including lighting, audio mixing, and recording for show segments featuring live interviews.

Freelance Videographer

January 2019 - May 2019

- Worked with various businesses to plan and produce a variety of content, including an events reel for the Addition Financial Arena, convention recap for the PDS Super-Conference, and tournament recap for the Golden Bear Golf Club.
